

no shame. no blame. no names.

Safely Surrendered Baby Campaign

:15 Radio Public Service Announcement

Martha: California has a way to protect infants
from the dangers of being abandoned.

Mary: A baby up to three days old can be
brought to any hospital emergency room...

Martha: ... and no names are required.

Mary: It's called the Safely Surrendered Baby
Law...

Martha: ... because every baby deserves a chance
for a healthy life.
